COVID CLAUSE – Conference Delegates

In the interest of ensuring a safe Repco 100 event for all participants, venue employees and other guests, GPC Asia Pacific strongly encourages our delegates to ensure they are fully vaccinated against COVID- 19 well before attending this event.

There are indications that Government bodies and airlines are likely to require a “vaccination passports” in order to travel to interstate or internationally, and discussions are taking place concerning potential for “vaccination passports” to be required to participate in a range of other activities.

GPC Asia Pacific are actively reviewing our vaccination policy for the event to ensure we are able to provide a safe event and align with any mandated vaccination requirement.

To avoid disappointment, please plan for the eventuality that vaccinations may be a pre-requisite to travel to or attend the Repco 100 event, and consider your vaccination status when RSVPing.

We want to ensure all our team members will be able to join in this milestone celebration of the Repco 100 anniversary. We will provide updates regarding vaccination requirements once they are available.

COVID CLAUSE – Trade Customers – Tradeshow
